**CLUB RULES AND REGULATIONS**  
**(Beaverton, OR)**  
**January 1, 2020**

The Club Rules and Regulations (“**Club Rules**”) for VillaSport Athletic Club and Spa located at 13900 SW Meridian Street, Beaverton, Oregon (“**Club**”) are listed below. The Club Rules were adopted by VillaSport BV LLC (“**VillaSport**”). The primary purpose of the Club Rules is to ensure a premier club experience. All members and guests (and non-members, when applicable) must comply with the Club Rules when using the Club or attending any Club activity.

VillaSport may amend the Club Rules from time to time. The current Club Rules are posted on the Club website. Additional rules posted throughout the Club must be followed as well. Members must also comply with the terms of their Membership Agreements. Certain fees, charges and policies referenced in the Club Rules can be found on our website or obtained from the Concierge.

**1. CLUB USE**

**1.1. Private Club.** The Club is a private club for use by its members and their guests, although limited services are available to non-members. Membership does not convey any ownership in the Club or VillaSport. Memberships may not be sold or transferred by any member. Club access may be restricted by Club management at its discretion.

**1.2. Conduct.** Proper, respectful conduct is expected at all times in the Club. Profanity will not be tolerated. Parents are responsible for the conduct of the children on their account. VillaSport may suspend or cancel memberships for inappropriate conduct. Persons are financially responsible for any damage they cause.

**1.3. Club Use by Children.**

(a) Except as noted in Section 11.2, children under 13 must be directly supervised by an adult. If a child under 13 is enrolled in a VillaSport-staffed program, a supervising adult must (1) check the child into the Club and (2) sign the child in and out of the program with the relevant staff. Children must be signed out of the program on a timely basis. A late charge may be incurred per child for tardiness.

(b) Children under 13 may not use any of the exercise equipment (except while under the instruction of a Personal Trainer), and may not attend any of the group exercise classes (other than those classes designed for these younger age groups).

(c) Children 13 through 15 may use the exercise equipment and attend group exercise classes upon completion of the Club’s youth fitness orientation.

(d) Children 16 and older may use the exercise equipment and attend group exercise classes.

(e) Parents of youth under 18 who participate in select VillaSport programs must complete a standard Youth Admission Form prior to their child’s participation in such programs. A supplemental Youth Admission Form may also be required for participation in select activities. A parent must review and update the Youth Admission Form(s) at least once annually, even if there are no changes.

(f) The maximum age of children on a family membership is 22.

(g) Unless specified otherwise, any reference to parents includes legal guardians, any reference to children includes wards, and any reference to adults means persons 18 and older.

**1.4. Member Access to Alternative Locations.** The Platinum Membership allows access to all VillaSport clubs. Single Club members (defined in Section 25.2) who wish to access a VillaSport location other than their “**Home Club**” (the location closest to the member’s residence and/or the club expected to be visited most often by all members on the membership), and Silver members (defined in Section 26.1) who wish to access a VillaSport location outside of Texas, may do so by paying the IHRSA Day Pass fee and presenting their Home Club membership scan cards upon check-in. The Day Pass will allow use of the Club for the entire day, subject to the Club Rules and applicable program fees. If coming and going in a single day, members must check in at Member Services each time they enter the Club. Members may charge fees and services purchased during their use of the alternative Club to their membership accounts. For more information about upgrading to Silver and Platinum Memberships, see Sections 26 and 27.

## **2. MEMBERSHIP SCAN CARDS**

**2.1. Membership Scan Cards and Check-In.** All members must check in at Member Services each time they enter the Club. At least one membership scan card per family must be presented at check-in. Membership scan cards will be issued for members 13 and older. Every member must have a membership photo on file. Children under 18 must have their photos updated annually. If a member allows someone else to use his/her card, VillaSport may confiscate the card and/or cancel or suspend his/her membership.

**2.2. Club Charges.** Members who wish to charge to their membership accounts may be asked to present their membership scan cards and photo identification at the time of purchase. The Primary Adult member on the account may add or remove charge-to-account privileges for any members on his/her membership at the Concierge Desk.

**2.3. Lost or Stolen Cards.** Members must immediately report lost or stolen membership scan cards to Member Services. Lost or stolen membership scan cards must be replaced. Until a member reports the lost or stolen card to Member Services, the member will be responsible for all charges to his/her account. If a lost or stolen card is found, it must be returned to Member Services.

**2.4. IHRSA Club Benefits.** VillaSport is a member of IHRSA, the International Health, Racquet and Sportsclub Association. Through the IHRSA Passport Program, members may gain access with their membership scan cards to IHRSA’s network of clubs around the world while traveling, subject to fees.

Cell phone usage is not allowed in locker rooms, whirlpool lounges, group exercise studios, group training studios, VillaKids, and VillaSpa suites and relaxation areas. Non-verbal cell phone usage is permitted on the main court and in the fitness center and VillaSpa nail rooms. When using cell phones in permitted areas, callers should keep conversations brief and be considerate of those around them. Upon entering the Club, cell phones should be switched to silent or vibrate mode. The use of any electronic communication devices and cameras of any type is strictly prohibited in the locker rooms due to privacy concerns.

#### **5. GUESTS**

**5.1. General.** Members may invite guests to the Club, subject to paying the applicable fees and accompanying them during the visit. Members are responsible for their guests' conduct and attire, as well as charges incurred or damage caused by their guests. Guests may use the entire Club except for VillaKids, where there are certain exceptions. Guests may be asked to leave the Club for inappropriate conduct or attire. Guests who reside within a 25-mile radius of the Club may visit the Club up to two times per month.

**5.2. Number of Guests.** There is no limit on the number of paid guests members may invite. Excluding VillaKids, the Day Pass will allow a non-member to use the entire Club for the entire day, subject to the Club Rules and applicable program fees. If coming and going in a single day, the non-member must check in at Member Services each time he/she enters the Club. Non-members who reside within a 25-mile radius of the Club may purchase a Day Pass up to two times per month.

**6.2. Club Programs Available to Non-Members.** Throughout the year, the Club may make certain programs available to non-members. When attending these programs, non-members may use that area of the Club related to their respective program, the locker rooms and VillaCafé. Non-members may not use other areas of the Club unless they pay the Day Pass fees and

applicable program fees. Non-members must register before commencing each program. If a non-member Minor is enrolled in a VillaSport-staffed program, a supervising adult must (1) check the child into the Club and (2) sign the child in and out of the program with the relevant staff. Children must be signed out of the program on a timely basis. A late charge may be incurred per child for tardiness.

**6.3. Non-Member Adult Spectators.** Children under 13 must be accompanied by an adult during their program. One non-member adult may enter the Club without additional fees to observe his/her child participating in programs after registering as a guest and providing photo identification, but he/she may not use the member portions of the Club without paying the applicable Day Pass fees. Additional non-member adults may observe and use the Club by paying the applicable Day Pass fees.

## **12. VILLAKIDS**

### **12.1. Rotations; General.**

(a) VillaKids is available to member children who are 6 weeks to 12 years. As part of his/her membership, each child member is entitled to use the VillaKids Rotation Program ("**Rotation**") for two hours each day for no additional charge. During a Rotation, the member may not leave the Club. If the member leaves the Club during a Rotation, VillaSport may impose a fine and/or cancel or suspend his/her membership. Use of the complimentary two hours on a particular day does not limit or restrict a child member from participating in other VillaKids programs on that same day.

(b) Generally, VillaKids is available on a first-come, first-served basis. To ensure proper care and an excellent member experience, only a limited number of children may use VillaKids. During peak times, VillaKids may require advance reservations.

(c) Except as expressly stated in the Club Rules, guests and non-members may not use VillaKids except with qualifying spa appointments.

**12.2. Youth Admission Forms.** Prior to a child's first visit to VillaKids, a parent must submit the standard Youth Admission Form. A supplemental Youth Admission Form may also be required for participation in select activities. A parent must review and update the Youth Admission Form(s) at least once annually, even if there are no changes.

**12.3. Allergies or Other Medical Conditions.** If a child has allergies or a non-communicable medical condition, a parent must include the information and any restrictions on the Youth Admission Form before checking the child into VillaKids for the first time. If a change in allergies or medical condition occurs, the Youth Admission Form must be updated immediately. Depending on the condition, VillaKids may require a physician approval. Staff will not administer any medications except in the event of an emergency. Staff will not apply creams or ointments (including diaper rash ointments). Staff will apply sunscreen to a child if the sunscreen is supplied by the parent or Authorized Adult (defined in Section 12.4) before the child is checked into VillaKids. The sunscreen must be labeled with the child's full name.

**12.4. Check-In and Check-Out Procedures.** All children using VillaKids must be checked in and checked out at the VillaKids desk. Only a parent or Authorized Adult may check in or check out a child at VillaKids.

(a) For Rotations, once checked in, the child may only be checked out by the parent or Authorized Adult who checked in the child and the parent or Authorized Adult cannot leave the club during the Rotation.

(b) For seasonal camps, Parent's Nights Out and school-out programs, once checked in, the child may only be checked out by a parent or Authorized Adult. The parent or Authorized Adult may leave the Club during these programs.

Except for authorized staff, no one 13 and older is allowed in the VillaKids secured Rotation areas.

An "**Authorized Adult**" is an individual 18 or older who has been authorized via the Youth Admission Form by a parent to pick up or drop off a child. Membership scan card or photo identification is required.

**12.5. Fee for Late Pick-Up.** Children must be picked up on a timely basis. A late charge will be incurred per child for tardiness. In addition, the Club may suspend and/or terminate a member's privilege to use VillaKids.

**12.6. Pagers.** Pagers are available and will be provided to parents upon request, but VillaKids may require parents to take a pager. Parents are required to return immediately to VillaKids if paged.

**12.7. Conduct.** All children are expected to be respectful of others, including other children and staff. It may become necessary to inform parents of disruptive behavior that is above and beyond the acceptable range. In such an event, the behavior will be discussed with the parent. If the child's behavior cannot be corrected within a prescribed time frame, the Club may limit, suspend or terminate the child's privilege to use VillaKids. In addition, the person checking in the child may be required to take a pager while the child is using VillaKids and may not be able to leave the premises for programs that normally would allow the parent or Authorized Adult to leave the premises.

**12.8. Drinks and Lunches.** Food, chewing gum and beverages are not permitted in VillaKids. Children may bring water in closed, non-breakable containers to VillaKids labeled with their full name. When checking in the child, the parent or Authorized Adult should inform the staff that he/she has provided water for the child. No food is provided during Rotations, so parents are encouraged to feed their children before checking them into VillaKids. If a child is enrolled in a camp program, the child may purchase or bring a lunch. All lunches must be labeled with the child's full name and cannot require refrigeration. Foods containing any peanut or nut product, oil or butter are not permitted in VillaKids.

**12.9. Infants and Toddlers.** Infants and toddlers who are not potty trained must come with two diapers, wipes and a change of clothes. Parents may provide bottled formula or breast milk for the child, with feeding instructions; food is not permitted. All items must be labeled with the child's full name and placed in a bag that fits in a diaper bag cubby. Staff will change all diapers, except for a child with diarrhea, who will be deemed to be ill and the parent will be asked to return to VillaKids to pick up his/her child. Staff will also remind children who are potty trained to use the restroom and will check them frequently for "accidents."

**12.10. Illness.** For the health of all our children and staff, VillaKids does not accept children who are ill or were ill within the previous 48 hours. If a child is determined to be ill, the parent will be required to pick up his/her child immediately. The child may not return to VillaKids for a minimum of 48 hours unless a doctor's release is provided.

**12.11. Crying.** VillaKids will do its best to make all children at ease. However, if a child is crying for more than 15 minutes, the parent will be asked to return to VillaKids. At such point, the parent will be offered an opportunity to comfort his/her child for 10 minutes. If the child is unable to transition, the child will need to leave VillaKids for the day but may return the next day.

**12.12. Children Requiring Additional Supervision.** VillaKids staff have no medical or other specialized training designed to address the specific medical, psychological or social needs of all children and our facility is not staffed to provide one-on-one care for children requiring additional supervision. Therefore, VillaSport will charge an hourly fee for one-on-one care of a child requiring additional supervision. The child must be able to be comfortably supervised by VillaKids staff, as determined by the VillaKids Director. Reservations must be made at least 24 hours and as early as seven days before check-in. For the health and well-being of all VillaKids participants, a physician's approval may be required before admitting a child whose specific needs may exceed the capacity of our staff or our facility. A child whose needs cannot be accommodated or who poses a risk of harm to himself/herself or another may be excluded from VillaKids.

**12.13. Attire for VillaKids.** Parents are encouraged to dress their infants in clothing that will allow for easy diaper changes. Toddlers and older children should wear comfortable athletic clothing that will allow them to play sports, run and jump. Children who do not know how to tie their shoes should wear Velcro sport shoes. Open-toed shoes, sandals, Crocs, flip-flops, and cleats are not permitted in VillaKids. All children should wear socks to avoid blisters and other injuries.

**12.14. Personal Items.** Children should not bring any significant personal items to VillaKids, including iPods, MP3 players, cell phones, video players, game machines, toys or similar items.

**12.15. Incidents, Accidents and Emergency Procedures.** In case of an incident or accident, a verbal report will be provided to the parent. In case of an emergency requiring evacuation, staff will follow the Emergency Evacuation and Relocation Plan procedures. In case of a natural disaster, staff will follow the applicable emergency procedures. During inclement weather, outdoor activities will be moved indoors. In the event a child involved in our program contracts a communicable disease, parents and the applicable health department(s) will be notified.

If a child under 13 is enrolled in a VillaSport-staffed program, a supervising adult must (1) check the child into the Club and (2) sign the child in and out of the program with the relevant staff. Children must be signed out of the program on a timely basis. A late charge may be incurred per child for tardiness.

(b) Children should not be changed or dressed on the pool deck; please use the Family Locker Room.

**13.3 Swim Diapers and Swim Pants.** Swimmers who are incontinent or not fully toilet trained must wear VillaSport-approved swim diapers with a tight-fitting protective covering. Acceptable products are available at the Club Shop.

**13.4 Illness.** For the health of our members and guests, swimmers should not enter the pools if they are ill or have been ill within the previous 48 hours, or if they have skin lesions, lacerations or wounds.

**13.5 Life Jackets, Water Wings and Flotation Devices.** Life jackets, water wings and arm flotation devices are permitted in the pools. A supervising adult must maintain direct eyesight and stay within arm's reach of swimmers and non-swimmers using such devices.

Children under 14 must be directly supervised by an adult. The supervising adult must maintain sight of proficient swimmers at all times. The outdoor lap pool is available to adults. Please reference the pool schedules for the lap swim hours.

**13.7. Lap Swimming Etiquette.** Prior to entering a lane with a swimmer, the swimmer must let the person swimming in that lane know that he/she is entering the lane. If only two people are swimming in the lane, swimmers may swim side-by-side. If more than two swimmers desire to use a lane, then the swimmers must swim in a circle using the right side of the lane. When passing another swimmer, the swimmer should use the left side of the lane when clear. Slower swimmers should let faster swimmers pass at the wall. The Club may segregate swimmers by speed by posting signs at each lane.

People may bring their own chairs, but not umbrellas or tables.

**13.11. Casabella Rentals.** A limited number of casabellas are available for use by members and their guests in the outdoor pool area. **13.12. Food and Beverages.** Chewing gum and outside food and beverages (other than water in closed, non-breakable containers) are not allowed in the pool areas. Any food must be kept at least four feet from the water's edge (pools and whirlpools). No glassware is permitted in any of the pool or whirlpool areas.

**13.13. Inclement Weather.** In the case of inclement weather, the outdoor pool area may be cleared for a segment of time or the remainder of the day. The Club may elect not to open the outdoor pool area if the forecast for the majority of the day indicates inclement weather.

**13.14. Safety Breaks.** During family swim times, the recreation pools, waterslides and family indoor/outdoor whirlpool will be cleared at the start of each hour for a guard inspection. A whistle will be blown to signify clearing of the pools, waterslides and whirlpool, and a second whistle will be blown to reconvene family swim.

**13.15. Pool Conduct.** The pools are areas of recreation and relaxation. Running, diving, rough play and other acts that would endanger or disrupt others are not permitted.

Family members do not need to be listed on the member's military orders to be included in the Freeze, however, they must be listed on the Membership Change Form. If the Primary Adult member changes to Military Freeze status and the Additional Adult remains on an active membership, the Additional Adult must complete a Change of Status Request and become the Primary Adult on the membership. As applicable to each circumstance, prorated dues charges or refunds will be calculated and processed by the Concierge at the beginning of a Freeze and/or upon the member's return to active status.

## **29. NANNIES/AU PAIRS**

**29.1. General.** Up to two nannies/au pairs may be added to a family membership that includes at least one child under 17. Nannies/au pairs must be 18 or older on the date of enrollment. It is not mandatory that the nanny/au pair live with the family. The Primary Adult member on the membership account must (1) submit a Nanny Add-On Request online and verify that the adult(s) being added on the membership account is/are employed by the family to care for the children on the account (the "**Host Children**") and (2) designate each nanny/au pair as an Authorized Adult on the Youth Admission Form to authorize him/her to bring Host Children under 13 to the Club and check them in and out of VillaKids and other Club programs. Nannies have full access to the Club when accompanied by the Host Children. Nannies may only use the Club without the Host Children after admitting them into VillaKids or enrolling them in a Club-supervised program.

**29.2. Add-On Fees and Dues.** An applicable Additional Adult add-on fee and monthly dues will be charged for each nanny/au pair added to the membership account. Add-on fees will not apply to replacement nannies/au pairs if there is no disruption in dues payments. If the family membership removes a nanny/au pair from the membership account and after 30 days adds a previous or new nanny/au pair, the applicable Additional Adult add-on fee will be charged.

## **30. ANIMALS**

**30.1. General.** Members and guests may not bring any animal to any part of the Club (including the parking lot) unless it is a service animal performing its duties in the care of a person who requires its assistance ("**service animal**"). A service animal must be under the direct control of its owner at all times and must be removed immediately if it causes a disturbance, interferes with the activities of others, or poses a health or safety risk. At no point may the service animal be left unattended by its owner. The owner of a service animal must promptly remove animal waste and may be liable for any damage caused by his/her service animal. Service animals are not allowed in pools, whirlpools, saunas or steam rooms due to health and safety concerns, nor are service animals allowed to use Club amenities (e.g., showers, towels).
