Camp FAQs

What are camp counselor qualifications and staffing ratios?

All of the VillaSport camp counselors have passed background checks and are CPR/First Aid certified. Camps are staffed in accordance with state requirements. In general, this means that staffing levels are based on the ages of the children in each group and the activities being conducted.

Do you administer swim tests for children?

For camps that include swimming, parental permission is required via the supplemental Youth Admission Form. Non-swimmers will be provided with alternative activities. Campers with parental permission will be given a deep-water swim test. Children who do not pass, or elect not to take the test, will be required to wear a VillaSport life jacket and will be restricted to the shallow end. A safety talk will be provided to all shallow-end and deep-end swimmers. Lifeguards and camp counselors will supervise camp swimmers.
